

FENG SHUI

Evaluation of floor plans: GWH Riedberg 2.0

07/2014

For SELECT Immobilien

What is Feng Shui

Feng Shui (or Wind and Water) is the practice of arranging your environment so that energy or “chi” flows gently and smoothly through your home or business environment.

In this way your space just feels **good**- and supports what you want out of life-whether it’s a better career, new romance, improved health, or more income.

Did you know: Even the British Royal family is rumored to use Feng Shui principles. Businesses, from Citicorp to Donald Trump’s companies, are integrating Feng Shui principles into their business practices.

Feng Shui evaluation of floor plans

The Feng Shui Evaluation results for the following Floor plans of **GWH Riedberg 2.0**:

Excellent*	Very Good*
Floor-No.	Floor-No.
02.03.10 GWH RB 2.0	02.00.02 GWH RB 2.0
